

# Profil cycle 2

The screenshot shows an Xfce desktop environment. The desktop background is a nature scene with a tree in the foreground and a sunset sky in shades of orange and yellow. The top panel contains several application icons, including a clock, a file manager, a terminal, and various educational tools. The bottom panel shows the 'Applications' menu, a file manager icon, a web browser icon, a calculator, and a system tray with a clock displaying '11:12'. The left sidebar contains icons for 'Person', 'Edu', 'Ardoise', and a yellow bird icon.
